Winning in life and in business

Partner with a serious, well-organised, community-building event

Convened by Aanu Clement David-Olawade

ABOUT THRIVE SUMMIT

Thrive Summit UK is a high-impact event creating a space where career professionals and business owners of all backgrounds can win in life and in business. Following a strong first edition, the 2026 summit brings together an audience across finance, property, business and career development, with senior civic and institutional guests in the room.

Our promise to attendees: they leave knowing what to do next, not just feeling inspired; they make at least one valuable connection; and they experience an event run with genuine excellence.

Why this matters to you as a sponsor: the summit convenes an engaged, aspirational audience of professionals and business owners from all backgrounds, alongside civic leaders and institutions. It is a place to build brand awareness, meet potential customers and be seen supporting real advancement.

WHO ATTENDS

- Career professionals, employees and career-changers building their working lives, including people navigating redundancy and transition.
- Business owners, founders and aspiring entrepreneurs across products and services, B2B and B2C.
- Ambitious people of all backgrounds and races seeking finance, property and career pathways.
- Civic and institutional guests, including invited representatives from Leicester City Council and community organisations.

Reach beyond the room: the convenor brings a strong personal brand of over 40,000 LinkedIn followers plus wide Facebook, Instagram and WhatsApp communities, so sponsor visibility extends well past the event day through pre-event promotion, live content and post-event highlights.

WAYS TO PARTNER

Support does not have to be cash. You can partner in whichever way fits your business:

- **Cash sponsorship**, against one of the tiers below.
- **Product or prize sponsorship,** for example a laptop, power banks, or a product or service as a raffle prize. Great brand awareness, and real value for attendees.
- **Service or in-kind partnership,** supplying a service the event needs in exchange for visibility.

A note on exclusivity: to protect the value of your sponsorship, we limit direct competitors within the same category. Category exclusivity is available at the higher tiers.

SPONSORSHIP TIERS

Every sponsor receives the core package: VIP access, your logo on the event website and materials, a social media mention, and the option to exhibit your business. The tiers below simply add to that baseline. Amounts are a starting point and can be tailored to your goals.

Tier	Indicative	Core package for all sponsors, plus:
Headline	£1,500+	Everything below, plus: category exclusivity; a 5-minute spotlight on stage to tell the room what you do and the clients or connections you are looking for; a dedicated post-event thank-you post to the organiser's 40,000+ LinkedIn following, naming you and pointing people to find you online; top logo placement on the stage backdrop; premium exhibition position; prominent promotion before, during and after; branded items in the attendee area.
Gold	£750+	A dedicated post-event thank-you post to the organiser's 40,000+ LinkedIn following, naming you; a 2 minute stage spotlight; larger logo placement; fireside or panel visibility where relevant; a stronger social media feature; verbal acknowledgement.
Silver	£350+	The core package with verbal acknowledgement on the day and logo on event slides.

Tier	Indicative	Core package for all sponsors, plus:
Community Sponsor	£300+	Your entry point to the room. The full core package: VIP access, logo on website and materials, a social media mention, and the option to exhibit your business. Ideal for local business owners who want visibility and a presence on the day.
Raffle	Product / Prize	Core package plus brand visibility tied to the live raffle draw (shown on screen), named as prize sponsor, logo on the prize slide. See the raffle page for details.

New for 2026: the £300 Community Sponsor tier. A simple, accessible way for local business owners to get in the room, put their brand in front of the audience, and exhibit their business, without a large budget.

Why sponsor big? Our Headline and Gold sponsors do not just get a logo. You get to stand on stage and tell the room exactly who you are and the clients or connections you want, and you get a dedicated thank-you to our 40,000+ LinkedIn audience after the event, sending real people to find you online. It is access and visibility that keeps working long after the day.

RAFFLE SPONSORSHIP

The live raffle is one of the most exciting moments of the day, drawn in front of the whole room. Sponsoring a raffle prize puts your brand at the centre of that moment, and gives an attendee something to remember you by. You can sponsor a raffle prize in three ways:

- **Donate a product,** something from your business the audience would value (a gadget, a hamper, a beauty or lifestyle product).
- **Donate a service,** a session, consultation, treatment or package from what you offer, a great way to showcase your work to a warm new audience.
- **Sponsor in cash,** you can sponsor a raffle in cash or contribute it towards a prize we source on your behalf, branded in your (company's) name.

WHAT RAFFLE SPONSORS RECEIVE

- Your brand named as the sponsor of that prize, announced live as it is drawn.
- Your logo on the prize slide shown on screen.
- A social media mention as a supporting raffle sponsor.
- The winner connects your brand with a positive moment, and often becomes a customer.

Low cost, high visibility. Raffle sponsorship is the easiest way for a smaller business to be seen by the whole room, and it can be combined with any sponsorship tier above.

SPONSOR A SPECIFIC ITEM

Prefer to fund something you can point to? You can sponsor a specific part of the event instead of, or alongside, a tier. Your brand is associated with that element on the day and in our promotion. Amounts are indicative and will be confirmed as costs firm up.

Sponsorable item	Indicative	Recognition
AV, sound and staging	To confirm	Named as AV sponsor
Catering & refreshments	To confirm	Named at refreshment area
The VIP experience / lunch	To confirm	Branding in VIP room
Green room (speaker hospitality)	To confirm	Branding in green room
Printing & branding	To confirm	Logo on printed materials
Photography & video	To confirm	Credit on all content
Raffle prizes	In kind / cash	Named at the live draw
Merchandise and speaker packs	To confirm	Named as operations sponsor
Event management	To confirm	Named as operations sponsor

THRIVE UK 2026 Building Beyond Limits in Business and Career

HOW SPONSORSHIP IS HANDLED

We keep sponsorship simple, transparent and accountable. Depending on what suits you, there are three ways to contribute:

- **Fund the event centrally.** Your contribution is paid to the Thrive Summit organiser against your tier or chosen item, and we manage the vendors and deliver everything to plan. You receive a clear invoice and confirmation of what your support covers.
- **Sponsor a specific service directly.** If you prefer, you can settle a named vendor or service invoice directly (for example catering or event management), so your support is tied precisely to that element.
- **Give in kind.** Provide a product, prize or service, no cash changes hands, and your brand is recognised as the sponsor of that item.

Every sponsor receives a proper invoice and written confirmation of what their support covers, so it is a clear, professional arrangement on both sides.

BECOMING A SPONSOR

We would love to build a partnership that works for you. Here is how to take the next step:

- Choose a tier, a raffle prize, or an in-kind option, or tell us your goals and we will tailor a package.
- Confirm early. With the event on 7 November, sponsors who come on board now receive the fullest visibility across the countdown, on the website and in all promotion.

Share your logo and brand assets so we can add you to the event page and materials..

Sponsors are added to the event website as they confirm, so early partners are visible to every visitor during the countdown to the big day.

Let us make Thrive Summit UK 2026 unmissable, together.
